Your BARC Membership details will be with you all shortly, the lady responsible for these has been on holiday but is returning Monday 22<sup>nd</sup> and will be dealing with these then.

##### **TECHNICAL**

Just a reminder to you all regarding the ECU upgrade. You will all have received the information from Caterham Midlands regarding the ECU upgrade. If you have any queries regarding this please contact Nick Potter at Caterham Midlands or Simon Lambert at Caterham Dartford.

##### **TUITION**

Our aim in the Academy is to provide a level playing field on which to compete and we go to considerable lengths to achieve this. However, we recognise that both natural ability and experience varied widely within our Academy groups and would encourage those who feel disadvantaged by lack of experience to seek individual tuition.

Our history with the Silverstone Racing School means that they have huge experience in training novice Caterham drivers, and they are happy to offer individual training sessions. Please contact them on 01327 320 456

##### **TRACK DAY INSURANCE**

For those of you who have taken insurance out with Egger Lawson you will find that you are allowed 4 free track days as part of your policy providing the track day organiser is on their approved list. This includes owners club days and other approved track days. For further information on this please contact Egger Lawson direct 0845 9782610
