Date 2002

JULY

---

Summer is upon us, good luck to all of you with children on holiday from school, and remember, the hols have only just started..... If you are going on holiday have a good one, if you have already been and come back, hard luck.

### CADWELL PARK

The championship is really hotting up now, with 6 rounds gone and four to go, don't let driving standards slip. There were a few incidents at Brands in Class A and quite a lot of serious damage done. In view of this, and because Cadwell is such an unforgiving circuit I am arranging a driver briefing for the A class, time to be confirmed.

I have already sent you a provisional timetable, Daniel and Jamie are going to be pretty tired at the end of the day!!

Prize giving will be at the end of the second Roadsport A race, hopefully around 6.00pm and hopefully in the hospitality awning if it is still up!!

### FESTIVAL

Provisional timetable already sent, I will be confirming testing details for Friday morning as they are available. Testing on Thursday should be booked direct with Brands, contact number to be confirmed. Roadsport B have been invited to join the Supergrad grid if there are spaces, please contact Nick Frost at [nickfrost@nickfrost.plus.com](mailto:nickfrost@nickfrost.plus.com). If you wish to enter the Eurocup race you should contact Nick Carter.

### TECHNICAL

You should all have received the technical bulletin dated 18<sup>th</sup> July, please advise me if you have not received it.

### MARSHAL FOR A DAY

It may be worth remembering that if for some reason you are not able to compete at a meeting, you could do a spot of marshalling and obtain a Clerk of the Course race signature on your licence. It would be good experience for you, see how it feels to be 'on the other side'. We all need to be reminded of what a fantastic job these marshals do, and may remind you to take more notice of the flags.

### CATERHAM GRADUATES – SPA

Another reminder to Roadsport B, of the invite from the Graduates for you to join them in Spa on the 27<sup>th</sup> 28<sup>th</sup> 29<sup>th</sup> September, you only need a Euro Licence to be eligible.

### HOLS

Don't forget I am away from the 24<sup>th</sup> until 31<sup>st</sup> July, my mobile will be turned off...

That's about all for now, just to remind you that the Caterham Dinner Dance is on Saturday 9<sup>th</sup> November, some of you have forgotten the date already!!

Look forward to seeing you all at Cadwell.
